❑ The Tripura Fish Festival 2024 got underway in Agartala today. The Purbasha Complex in the state capital of Agartala is the venue for the two-day celebration.

❖ Since 2019, the Ministry of Fisheries of the Tripura government has been organizing the festival.

❖ The annual celebration is viewed as a venue to support Tripura's fishing sector and provide the state's fishermen with tools to increase their market share both inside and outside the state.

❖ Tripura, the northeastern hilly state of India, produced 82 thousand metric tons of fish during fiscal year 2022, which was a slight increase from financial year 2020.
